## President's Overview

📍 Happy 10th Birthday to DVE Aquatic 📍

2022 is our 10th year of operation and it's fabulous to have all areas of DVE Aquatic up and running at full steam again. Not even a year ago, as we were emerging out of lockdown, we saw a slow return to full services while people were regaining confidence in returning to sport and to compete again. It is wonderful to now see our memberships growing again.

Since the start of the calendar year, we have seen everyone come back enthusiastically training and competing. The last DVE swim meet held at Watermarc was a huge success, we've had DVE swimmers travel interstate for Nationals and we have been lucky to be able to send a strong team of swimmers to State Championships. Water polo had kids in three different age groups in three teams competing in Brisbane for the Australian Youth Competition. Diving remains a small but steady stream in our club.

Last December we were very excited to hold our combined Christmas Party at Diamond Creek pool, and everyone enjoyed socialising and catching up as a whole club. Both water polo and swimming and diving have had their presentation nights, which saw a very enthusiastic response after two missed years. It was so lovely to hand out trophies and medals again and to celebrate so many achievements. Kids and adults alike had a great night.

Keep your eyes open for an invite later in the year to another whole club event to celebrate our 10th birthday. In the meantime, we are now running club night for the whole club and encouraging divers and water polo players to come and join in the fun of swim racing, to record times in all strokes and watch the pb's start to drop with all the hard training done by all of our athletes.

Financially the club is in a very strong position, thanks to the hard work of our VP's, I'd like to thank Paul (swimming), Jamie (water polo) and Ken (diving) and successful grant applications by Kate our secretary and Maree our treasurer keeping us up to date on where we sit financially. This executive committee has been a pleasure to work with and the whole club needs to congratulate them all on their commitment and hard work they put into volunteering for the club to make DVE the success that it is.

If anyone hasn't seen the new website, I suggest you take a look. There are some spectacular photos on there and it all looks a lot fresher, and the mobile page is amazing. A huge thanks goes to Paul Piaia and Anna Joske for their hard work in getting this up and running. I would also like to do a big shout out to Maria Tan for the amazing work on our socials. Whilst she is focused mostly on swimming, she has also made some water polo slides to post.

We are also incredibly lucky to have some amazing volunteer coaches, water polo has Alberto Vela as head coach and diving has Greg McGregor as well as Ken Houghton. Also, Bob Oldfield has been an amazing presence at DVE for over 40 years as our club registrar, swimming official and stroke correction coach. Thank you, you have all put in many years of volunteering.

As you can tell, the club is nothing, without all our volunteers and there are many I have not mentioned here who have helped in our three different disciplines as well as with the overall running of the club. To everyone who has helped us in any way, we are very grateful for your efforts and commitment to make DVE Aquatic such a fantastic club. We are always looking for new volunteers, and there is no better way to make new friends and get to know more people in our club, everyone is welcome.

## Diving – Swimming – Water Polo

My two years of holding president has had its ups and downs, like everything in the past two years but it has been my pleasure to help keep DVE running and an absolute pleasure to see all the kids come back to the pool and continue to enjoy their chosen sport. Finally, I would like to thank both Watermarc and Banyule, without their support we wouldn't exist.

Good luck to all of DVE Aquatic moving forward with so many wonderful families involved we can't help but succeed in the pool.

Heather Zipsin  
President DVE Aquatic

### Diving Report

As for the 2019-20 and 2020-21 diving years 2020-22 was decimated with the COVID-19 virus which prevented all diving recommencing before the end of December 2021.

Even though the season was shortened the Aggregate Competition, held after training where the divers looked forward to the competition and taking the opportunity to attempt their new dives, was held.

#### Aggregate Competition Results

A Grade            1<sup>st</sup> Maddi Munro            2<sup>nd</sup> Laura Dickson            3<sup>rd</sup> Antionette Dullivan  
Novice            1<sup>st</sup> Emmeline Bielenberg    Equal 2<sup>nd</sup> Siena Mirabile & Camille Creighton  
Most Improved - Emmeline Bielenberg

For the first time in three years the Diving Championships were conducted. The Novice and 14-15 Year competitions were fiercely contested with the results extremely close.

#### Diving Championships Results

15 – 16 Years    1<sup>st</sup> Maddison Munro  
Open            1<sup>st</sup> Maddison Munro

We continue to struggle to attract new diving members, this year nine members were in the diving squad with six finishing the year. We were fortunate to have available the diving facilities at Carey Grammar and to have the support of the pool management in negotiating our way through the COVID-19 protocols.

Our thanks to all divers who trained and competed with great enthusiasm during this shortened year. Also, to the parents and friends who attended each week, provided their support to the divers and assistance with scoring at the competitions. Thanks also to Chelsea Munro for liaising with the new members and organising the Aggregate and Championship Competitions.

Looking forward to another great year of diving in 2022-23

Greg McGregor.

## Swimming Report

We started the 21/22 season just like we did the year before, in another lockdown, and this one lasted until Mid-October. By this time, we had been in lockdown on and off for 263 days, that's at least 263 days without swimming but luckily October 2021 was the last of them.

The pools were very slow to reopen so the last 2 weeks of October the kids spent swimming outdoors at the Diamond Creek outdoor pool. Who can forget the frost in the morning where it was warmer in the water than out, and one squad even got to enjoy a thunderstorm nearby before they were evacuated. Either way the kids were happy just to get back to some kind of swimming and the coaches took it easier on them.....for a while.

Luckily, we still managed to hold 3 DVE meets, November 2021, May, and July this year. The income from these has been great for the club and we rely on them to survive, and I'd like to thank everyone who volunteered not only to organise the meets but who volunteered on the day.

We were also able to hold a few Club Nights on Wednesday nights which were great nights for kids to spend some time out of the water to get to know each other and get some race practice in.

In December we welcomed a new junior coach in Brooke Thwaites who also swims in the National Squad and has been doing a great job training the Development and Progressive squads with Suzi.

In January they held the Victorian Sprint Championships after being cancelled in August. 14 swimmers went in to race and there were PB's all around. With some newbies to the State Championships, they handled themselves like pro's getting top ten in their races.

In February DVE participated in the STARLIGHT SUPERSWIM. After 4 weeks of sessions, the kids clocked nearly 100 kms and raised \$580 and we thank everyone for their support not only to the kids who swam the laps but those who donated.

February was also the month of school swimming carnivals so congratulations to our DVE squad swimmers across all levels who participated in their school swimming carnivals and did their school and DVE proud.

In March we had the long-awaited Victorian Age Long Course Championships with medals to Alex Basile and Riley Hodgins, many PB's and National times for Jacob and Amity as well.

In April was the long-awaited Australian Age Swimming Championships in Adelaide and we were proud to have Alex Basile, Jacob Lawrence, Amity Lansbury and Rhiannan Chen qualify. A great achievement to reach such a high level of swimming.

A month later Alex Basile flew back to Adelaide to compete in the Australian Open Swimming Championships and competed in the 100m Butterfly with the pro's. Well done Alex!

I want to thank everyone for what was a very difficult year to begin with for our swimmers and parents. The lockdowns, restrictions, vaccine mandates and juggling of competitions and training schedules has made it very hard for our swimmers to consistently work on their goals and milestones but I want to thank everyone for sticking in there with the club. Like every sport we have had our challenges but the soul of DVE has remained and we will continue to grow next year and concentrate on the things we can

## Diving – Swimming – Water Polo

control and be flexible around the hurdles that are put in front of us.

I want to thank the coaches Brian, Adele, Suzi, Brooke and Angelina for doing a great job not only professionally to help our swimmers but also personally with understanding everyone's challenges and situations.

I want to thank our fabulous swimming committee. Kate who is not only the club Secretary but also applies for our grants and helps organise competitions, Diana who has a very hard task of creating the DVE Meet program and running our meets. Michelle who also helps out on competitions and a lot more. Angelina who manages our Memberships and again much more, Maria who recently became our Social Media guru is posting great stuff online for us and others that have helped out here and there. We have a very small number of parents helping and would love to see more parents help in any capacity you can to help not only your child, but the club grow so that everyone benefits, and more hands make light work! I also want to thank the officials who volunteer their time at our Meets, especially Bob Oldfield, Ken Houghton, and Lindsay Ellis.

Finally, I also want to thank Heather our Club president who is finishing up this month for steering the ship.

The dryland program run by Adam and his team of coaches at AV High Performance Academy, has been a wonderful addition to the program and we thank him for his commitment to the kid's before, during and after the lockdown period. With the dryland program moving back to Greensborough we hope that will continue to grow.

Thank you to all members who have continued to support the club through these tough and uncertain times. DVE is only as strong as its membership, and we are relying on you to support us now more than ever as we navigate our way through these difficult times. Being part of this swimming club is more than just about dropping kids off at the pool as they get trained, it's a community sport run by volunteers who all have day jobs and are not paid and we require all parents to help out in some way, whether at meets or join the committee in one of the small or bigger roles, there is something for everyone.

We've worked hard this year to not only stay afloat but strengthen our club and goals. We will need to continue to work hard next year whatever comes our way but I believe with the foundation we have now we will pull through stronger than ever and continue to grow as a competitive swimming club.

### Highlights of the last year

July 2021 – October 2021

Melbourne was in lock down again.

Oct 2021

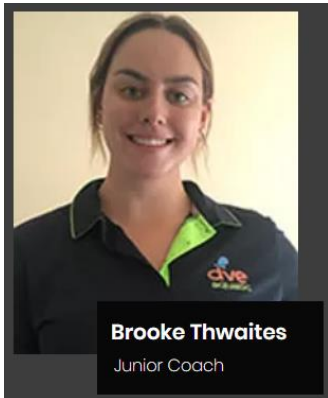

Kids came out of lockdown and swam at Diamond Creek outdoor pool for 2 weeks.

November 2021

We managed to have our DVE Long Course Meet on Sunday 28<sup>th</sup> November.

Although we didn't get the numbers we wanted like past meets, possibly because people were still anxious or felt unprepared to start racing but we put on a great day to start the competitive season.

December 2021

In December we welcomed our new Junior coach Brooke Thwaites.

January 2022

### Victorian Sprint Championships

After being cancelled in August the Vic Sprint Championships were on in January. 14 Kids went in to race and there were PB's all around. With newbies to the State Championships, they handled it like pro's getting top ten in their races. Mark just missed out on a bronze in his Freestyle, Julia breaking the 30 seconds in her freestyle, Jacob JUST missing out on his National time for freestyle and Amity achieving her first National time in Breaststroke.

February 2022

In February DVE participated in the STARLIGHT SUPERSWIM. After 4 weeks and 12 training sessions, the kids clocked a total of 18.2km. Overall, as others added to the tally, we fell 50m short of 100km, completing a total of 99.95km. A mammoth effort by everyone who participated.

We raised \$580 and we thank everyone for their support not only to the kids who swam the laps but also for the kids who couldn't. Thank you and well done!

This year's challenge exceeded so many expectations and we hope that DVE will continue to support this charity in the future.

February was also the month of school swimming carnivals so congratulations to our DVE squad swimmers across all levels who participated in their school swimming carnivals.

March 2021

**2022 VICTORIAN AGE LONG COURSE CHAMPIONSHIPS**

Jacob and Amity achieved National times! Riley was super pumped to receive a medal 2nd in 100 fly with a huge PB! Alex Basile came in 2nd in the 100 fly.

DVE were also lucky to receive several grants this year and we had a visit from Kate Thwaites. With these grants we have been able to buy a new computer, the AutoCoach timing device, back stroke ledges and heart rate monitors to name a few.

**Metro North Regional Competition** saw us come away with a number of medals and swimmers progressing to State.

**All Metro Junior Results** also saw DVE get some great results

- Rhianna 1st in 13 yo 50m freestyle with yet another national time success!
- Lillian 3rd in 14 yo 50m butterfly
- Amity 1st in 14 yo 50m breaststroke
- Ashley placed 9th in 12 yo 50m backstroke
- Ryley placed 6th in 13 yo 50m free, 6th in 50m backstroke
- Jeremy placed 4th in 13 yo 50m back

- Alex C placed in 16yo 50m freestyle 6th place, 6th in 50m breaststroke, 10th in 50m butterfly
- Jack placed 4th in 13 yo 50m fly

April 2022

**Australian Swimming Championships**

- Alex swam 200IM, came in 16th in Australia! Alex also came 3rd in the B final for the 100 fly.
- Rhianna swam her 50m fly, with a personal best time shaving off 0.17 and now ranked 23rd in Australia! Rhianna placed 22nd in the 100 fly!
- Amity swam today, in 100m breast, 34th overall.

May 2022

We held our DVE Short Course Meet in May. There were so many personal best records achieved throughout the day and it was great to see so many swimmers with happy faces.

**2022 Australian Swimming Championships**

Well done to Alex Basile from the national squad who went to Adelaide and competed in the 100m Butterfly with the pro's. A great time of 56.32. Well done Alex !

**2022 National Volunteer Week**

Volunteering brings people together; it builds communities and creates a better society for everyone. National Volunteer Week was a chance for all of us to celebrate and recognise the vital work of volunteers and to say thank you.

The only way the club can survive is with its great volunteers. Thank you for your generous support!

Through volunteering, we are stronger and better together.

June 2022

Zoe Anna Macaulay has been selected in the School Sport Victoria Team Vic 10 - 19 Years & Under Swimming Team competing in the School Sport Australia Championship to be held in Brisbane, QLD from 15 -23 August 2022.

## Water Polo Annual Report

### Memberships:

2021 – 2022	92 (F – 20 & M – 72)		
2020 – 2021	104	2015 – 2016	76
2019 – 2020	110	2014 – 2015	62
2018 – 2019	106	2013 – 2014	44
2017 – 2018	100	2012 - 2013	39
2016 – 2017	90		

This season saw a drop in our membership numbers for the first time in 10 years. Whilst disappointing for the club and attributed to the ongoing impacts from the COVID-19 pandemic, our numbers are still strong, and we have seen growth in player participation. The water polo sub-committee is continuing to work on attracting and maintaining our athletes and their families.

### Presentation Night and Awards

Following 2 years of missed opportunity, DVE Aquatic Water Polo held our presentation and awards night on the 28.5.2022 with close to 100 people present. It was a great night of celebration for all our athletes. We celebrated two seasons of awards throughout the night including the gold medal presentation to our U14 Boys and SL3 teams from the 2020 / 21 WPV seasons.

Congratulations to everyone who were presented an award

<b>U14 Boys</b>	Felipe Alleri
<b>U16 Boys</b>	Harry Wightman
<b>U18 Boys</b>	Jack Ramsdale
<b>U16 Girls</b>	Olivia Lee

Andrew Gilchrist Award

Congratulations to Stephanie Jacobson on being awarded the annual Andrew Gilchrist Award for outstanding achievement. Steph’s commitment to DVE Aquatic water polo as a club representative and now as a coach, her selection in the Australian Youth (U20) squad and the Victorian Phoenix National League Teams made her the obvious choice for the award.

## Diving – Swimming – Water Polo

### Victorian summer season 2021-2022

Like all sports, the COVID-19 pandemic has had a massive impact on water polo. The most satisfying achievement for the club this year was we were able to secure participation in the WPV summer season through our efforts to combine with other WPV clubs.

- U14 Mixed – combined with NYP Dragons (no ladder)
- U14 Boys – combined with NYP Dragons
- Youth Girls (U16) combined with Northcote

Congratulations to the SL7 Men team for winning the competition.

<u>Junior and Senior League</u>	<u>Position</u>	<u>Sub-junior League</u>	<u>Position</u>
U16 Boys	4th	U14 Boys	4th
U16 Girls	4th	U14 Mixed	2nd
U18 Men	2nd		
SL2 Men	3rd		
SL7 Men	1st		

### Geelong Tri-state Tournament 2022

Geelong Tristate tournament was held on the 18.2.2022 and we entered two teams, U14 Boys and U16 Boys, and had 3 DVE representatives in the U12 section (combining with Geelong).

Each team won bronze medals for the tournament.

### Representative Honours

#### 2022 Delfina Interstate Challenge (U15 Victoria)

A number of our members were part of the Delfina interstate challenge held in 11<sup>th</sup> – 13<sup>th</sup> June with two Victorian teams selected to compete

#### **VIC BLUE**

- **Mitchell Bohan**
- **Oliver Jones**
- **Xavier Maher**

Team finished second

Mitchell was named on the team of the tournament

Coached by DVE Aquatic coach Alberto Vela Del Aguila

Diving – Swimming – Water Polo

#### **VIC WHITE**

- **Liam Niceforo**
- **Zachary Osland**
- **Jeremy Spiteri**

Team finished fifth

Coached by DVE Aquatic coach Jamie Osland

#### U15 and U17 VIC National State Championship Squads

The U15 WPV selection was held on the 4<sup>th</sup>-5<sup>th</sup> June. The following members have made training squads:

##### **U15 Boys**

- Mitchell Bohan
- Oliver Jones
- Gus Kelly
- Xavier Mahar
- Jeremy Spiteri
- Zachary Osland

##### **U15 Girls**

Tess Haslam has been named coach for the 2022 U15 Girls squad

##### **U17 Boys**

Patrik Dobradi

#### National Water Polo League – Victoria Phoenix

Stephanie Jacobson and Riley O'Connell are training with the Victorian Phoenix squads for the 2022/23 national water polo league season

#### National Water Polo Championships – Brisbane 2022

The National Water Polo championships were held in April 2022. We had a number of teams compete at the tournament

U14 Boys – combined with Richmond to finish 6<sup>th</sup> in their pool of 7

U16 Boys – finished 7<sup>th</sup> in their pool 8

U18 Men – finished 14<sup>th</sup> out of 16 teams)

All athletes represented our club very well and came away with a huge amount of experience. Given the impact from COVID these were very solid results.

### Coaches

Alberto Vela Del Aguila continues as our head coach at DVE Aquatic Water Polo summer competition as head coach embarking on his second year in the role. Alberto dedication to player development and to our club is massive and our club is extremely appreciative of his time and effort.

We have welcomed four amazing junior coaches this year to support Alberto:

- Tess Haslam
- Omar Vela Wheen
- Stephanie Jacobson
- Ethan Niceforo

### Future and development

The future is looking positive in water polo. Our club continues to achieve great results and develop outstanding athletes. We are focused on developing our younger age group participation in both boys and girls.

The water polo committee is ecstatic to have successfully run our first come and try in over 2 years following the multiple impacts from COVID. We had over 35 new athletes try the sport, and we are

confident that this will grow our development squads. Most exciting of all was the growing numbers in female participation.

We are proud to have all teams return this season and hope to continue to grow the participation in all age groups, our female athletes, and securing standalone DVE Aquatic teams.

We hope to see our DVE Aquatic members give water polo a go. It is a fun game, especially when you have your friends with you!! We look forward to keeping building our base with new U12 and U14 players joining the club.

### Sub-Committee

A special thank you to the water polo sub-committee for all the work during the year. Current committee members include

- Heather Zipsin
- Pat Southwell
- Alberto Vela Del Aquila
- Lance Geange
- Karen Phipps
- Luke Southwell

I would also like to thank Anna Joske for her involvement on the committee during the year

The club remains in a very strong position!

Jamie Osland

Vice President – Water Polo

## Registrar's Report

For a second year in a row the season was disrupted by lockdowns caused by Coronavirus which in particular delayed the start of the water polo season. Active swimming registrations were only 3 fewer than the previous season but active water polo registrations were 15 fewer than last year. There was also a slight reduction in the number of registered divers. The number of Swimming 'Dry members', comprised of parents/guardians/Life members, and coaches, reduced from the prior season but there was a slight increase in the number of water polo volunteers. A total of 268 members registered across all disciplines a reduction of 23 from the previous season.

The largest fall in numbers was in the 12 and under age group which fell by 15 members and the over 21 age group which fell by 10. There was a slight increase in registrations in the 13 to 17 years age group. A total of 89 males registered in the under 21 age group compared with 67 females. In the over 21 age group (mainly parents and volunteers) the situation was reversed with 72 females and 42 males.

Membership breakdown is shown on a separate page along with a comparison with last season. The total registrations for each of our main activities Swimming, Diving, and Water Polo are shown. There is then a 'netting' factor to take account of members who have registered in more than one activity. For example, 5 swimmers also registered as water polo players.

208 members renewed their membership, 60 new members joined, 88 did not renew membership, and 5 transferred out during the season.
